

About Us

Swajan Community Living was born out of the concept of integration & disintegration together.

Integration of medical services, comfort care services, secondary patient care, diagnostic services, with disintegration from hospital environment in midst of nature & green areas.

SWAJAN

WHERE
AGEING IS AN
ADVENTURE

ઉત્કંઠ લાગણીના સંબંધો એટલે
સ્વજન, જિંદગીને આનંદોત્સવ બનાવે એ
સ્વજન, સ્વાસ્થ્યની સંભાળ રાખે એ સ્વજન,

પધારો 'સ્વજન' ના અદ્ભુત અનુભૂતિના
સંસ્મરણો માણવા.

An Initiative by
Bankers Group of Hospitals

"For us, SWAJAN is more than just a passion project; it's a sanctuary for those who shaped us into who we are today. It is a tribute to the elders—the best among us—who taught us life's wisdom. This is our opportunity to bring them to safety and help them age gracefully, with dignity and care."
